Sir:

MISCELLANEOUS LETTER

In the course of confirming the USPTO's consideration of all the applicant's cited prior art references in response to the Notice of Allowance dated November 15, 2007, the applicant has noted that there is a typo in the PTO-1449 form. Specifically, EP Patent 0841788 was cited instead of EP Patent 0841778. However, applicant's review of the documents on PAIR confirm that the applicants submitted the correct European patent and since the Examiner considered the applicant's submitted prior art, EP 0841778 was properly of record and considered by the USPTO. Therefore, the applicant submits herewith a corrected PTO-1449 form and requests that the Examiner initial this corrected PTO-1449 form so that the face of the patent properly identifies the prior art considered by the Examiner.

The Commissioner is authorized to charge Deposit Order Account No. 50-3381 for any fee that is required.

If a telephone interview could assist in the prosecution of this application, please call the undersigned attorney.

Respectfully submitted,
